New Jersey Action Coalition Calling All Passionate Nurse Volunteers!

Program Description: The New Jersey Action Coalition (NJAC) has made a commitment to lead an initiative where embedding and engaging nurses within existing community projects will promote an outcome of healthier communities, well-being and equity for New Jersey citizens.

Communicate/Work with: NJAC Coaches, NJAC Staff & Non-Profit Organizations

Objective:

Nurse volunteers will have the opportunity to help improve the health of their community by engaging in the NJAC Culture of Health Initiative of *Joining Forces for Healthful Communities*. Our goal is to match volunteer nurses to a variety of existing community projects throughout the state of NJ.

Requirements:

- Should be a Nurse
- Willing to participate in professional education (webinars or in-person)
- Be available by email/phone
- Have some volunteer and community work experience
- Be able to commit necessary time
- Be a good team player

What is the role of a nurse volunteer?

- **Engaging** in existing projects in their own **communities**
- Contributing time, **expertise** and their **passion** to their community and organizational projects with the ultimate goal to **impact health**
- Collaborate with nurse coaches in their county and help **remove existing barriers** that impede healthy living

Why Participate in this Initiative?

- **Boost your career** with community outreach involvement and specialized education that you will be provided
- **Build a sense of pride** in contributing your talents to your community
- **Foster leadership** development
- **Open doors** to other opportunities
